PETIT ROSÉ VERJUS NON-VINTAGE

A WÖLFFER ESTATE NON-ALCOHOLIC

REGION

Appellation: Long Island, NY. Produced and bottled in Sagaponack, NY.

Our vineyard encompasses 55 acres of sustainably farmed vines that are meticulously cared for by Winemaker/Partner Roman Roth and Vineyard Manager Rich Pisacano. Our unique combination of Bridgehampton loam soil and breezes from the Atlantic Ocean, located 2.6 miles from the estate, provide Bordeaux-like conditions perfect for achieving the balance of ripeness and acidity that has come to define Wölffer's signature style: food-friendly, elegant wines reflective of Long Island's distinct terroir. When grapes are sourced outside our vineyard, they must meet rigorous Wölffer quality standards.

GRAPE VARIETIES

100% Melody grown by Wagner Vineyard in the Finger Lakes.

WINEMAKER'S NOTES

The color is of a light rose petal. The lively aroma is fruity with hints of mandarins and fresh strawberries. This Verjus spritzer is pure and fruit driven and has beautiful balanced acidity. There is a lovely freshness and a slight sweetness and the overall mouth-feel is very thirst quenching and satisfying with a playful CO₂ mousse.

TECHNICAL DATA

After a fantastic growing season, the grapes got picked early, on August 31st, 2022. The unripe grapes were immediately pressed and the juice was chilled to 34° F and settled for 15 days. In this time, the juice was cold stabilized and cold sterile filtered. After careful tasting trials we determined the perfect amount of water to add in order to make this a balanced Spritzer. The juice was filtered one more time and carbonated with CO₂ in special pressure tanks followed by being bottled with a pressure bottling line on September 22nd resulting in 1872 cases of 355ml bottles.

SERVING SUGGESTIONS
